This ThanksGathering is a small – free - happening in the weekend's Great Get-together held annually in tribute to the common humanity championed by Jo Cox MP. It'll help to contact organiser HughGibbons hughgibbons@just1.org.uk if you're likely to come along.

TWINS EILEEN & ROSEMARY IN THE GRANT FAMILY

were eye-witnesses on that 14 October 1943 night when the battered crew of our B17 were brought into their dairy farm home just along Winkfield Lane - after being helped to escape the burning wreckage by the Unknown Farmworker, now known be Crouch Lane cottage resident Mr Shefford aka "Sheffie". We'll be placing plaques to all.
